

A Friend - A Valentine Poem

--by Greenwolfe

A friend to light a candle
When darkness overcomes.
A friend to hold you closer
When distant thunder drums.

A friend to gently tie you
When sirens sing your name.
A friend with words to soothe you
When life's a losing game.

A friend to cool your passions
When passions take their hold.
A friend to warm you gently
When a frozen heart's too cold.

A friend to spread contentment
As seasons wax and wane.
Make sense of love's confusion
And bear life's grief and pain.

A friend who knows this season
Of love; both yours and mine.
A friend, another reason
To send this Valentine.
