A TRIBUTE TO MY DAUGHTER

Watching you grow has been one of my greatest joys. You became a wife and mother of two wonderful girls while juggling careers as a hospital administrator, grant writer and fundraiser. While accomplishing all these things you never stopped trying to help people in need, a homeless boy, foster children, temple projects, people suffering a loss and so much more. I am continually amazed at your ability to give selflessly with such great passion.

You are my idol, my friend,
my daughter.

Love,
Mom
